Dear Ms. Johnson:

OFFICE OF PETITIONS

I believe a copy of the Notice to File Corrected Application Papers and a copy of the Notice of Abandonment were enclosed in the envelope containing the Petition for Revival of an Application for Patent Abandoned Unintentionally (Petition), mailed this date. Nevertheless, I found an extra copy in my file after the Petition envelope was placed in the mail.

Therefore, it is possible that the copy of these notices that was intended for enclosure with the Petition was inadvertently left out of the envelope. So, in the event the copy of the notices was not enclosed with the Petition envelope, please assure that the enclosed copy of each notice accompanies the Petition when it is being considered by your office.

Thank you for your courtesy and assistance in our prior telephone conversations with regard to this Petition.

Please let me know if you have any questions or require any further information.

Sincerely,

  
Aaron L. Patton
